Frequently Asked Questions: Public Liability Insurance

Q. Why do Glasshouse Venue Hirers have to hold their own Public Liability Insurance?

A. Public Liability Insurance provides your organisation, club or community group with an indemnity against all sums which you become legally liable to pay by way of compensation for bodily injury and/or property damage to a third party resulting from an occurrence which arises in connection to your negligence or the negligence of your staff, committee or members, including voluntary workers, engaged on behalf of the organisation, club or community group.

With Product/Public Liability cover your organisation is safeguarded if it:

- works with volunteers/members, clients or customers in public spaces
- visits, hires or uses spaces owned or controlled by others
- has visitors to your premises
- manufactures/makes products

Q. Will Public Liability Insurance cover me if I fall and break my leg?

A. Public Liability Insurance only covers the insured if there is an incident as a result of a negligent act.

If a third party makes a public liability claim, they generally have to show that their injury or loss is the fault of the other person or organisation they are suing.

Q. Why do I need \$20 million dollars of Public Liability cover?

A. The Glasshouse Port Macquarie is a trading entity of Port Macquarie-Hastings Council. As such, the Glasshouse is required to adhere to Council's own organisational wide policy with regards to public liability cover which is also \$20 million.

Q. My organisation already has Public Liability Insurance for less than \$20 million. Can I just use that?

A. No. The level of Public Liability Insurance required to be held by Hirers of the Glasshouse is \$20 million dollars. There are many options available to you to increase your level of cover. You may wish to talk to your current insurance provider or broker about a temporary increase to your level of cover for the event being held at the Glasshouse.

Q. Why do Glasshouse Terms & Conditions of Hire request that the insurance policy must note the interests of Port Macquarie-Hastings Council for their respective rights and interests?

A. The insurance you pay for your organisations might be restricted to certain purposes, e.g. insurance held by a school is covered only for events within the school premises and may not include hire for external events such as an awards night at the Glasshouse.

Q. I have done other events in spaces owned by Port Macquarie Hastings Council and have been covered by Councils policy for 'Casual and Regular Hirers'. Can I be covered by this for events at the Glasshouse?

A. No. The policy only covers hirers of facilities that have been specified to Port Macquarie-Hastings Council's insurer. These facilities are primarily those that are managed by Council's Section 355 Committees and does not include the Glasshouse.

However, in the event that the Hirer does not possess a Certificate of Currency for product and public liability insurance, the Hirer may be eligible for Councils Casual and Regular Insurance cover. A hirer's eligibility for cover under Council's casual and regular Insurance will be assessed on an event by event basis, at the request of the hirer.

Definition of a Casual & Regular Hirer

A Casual & Regular Hire (Regular - no more than once a month or twelve times per calendar year) means any person or group of persons (not being a sporting body, club, association, corporation or incorporated body), who hires a Council facility for non-commercial or non-profit making purposes.

Council's liability insurance may cover any person or group of persons, who qualifies as a "Casual Hirer"
This cover does not extend to incorporated bodies, corporations, sporting clubs or associations of any kind.

Any persons hiring the facility as a business for the purpose of activities associated with that business (even if not for profit making purposes), is not considered a casual hirer so will need to have in place their own Public Liability Insurance.

In the event of a claim the Casual Hirer is responsible for an excess of \$2000, which is payable by them. This cover does not extend to any external contractors that are used in conjunction with the Venue Hire, such as caterers, entertainment, external AV suppliers or event planners, therefore a "Casual Hirer" would need to ensure his or her third party suppliers have their own Public Liability Insurance.

Following are extracts from the Glasshouse Standard Terms and Conditions of Hire (Part B), which offer additional detail on a hirer's responsibilities for Public Liability Insurance.
