Showcasing Mid North Coast Artists

7 May - 26 June 2022

GLASSHOUSE PORT MACQUARIE REGIONAL GALLERY

Northern Exposure 7

The Glasshouse Regional Gallery is excited to present *Northern Exposure 7*. This year's exhibition is a testament to the creative talent within our region. With our 2020 exhibition cut short (as it collided when the pandemic lockdowns began), we are looking forward to celebrating these creative talents with you.

Northern Exposure is a biennial exhibition open to all artists on the Mid North Coast. Artists were invited to submit work, which explores themes and subjects relevant to their current arts practice. As a regular highlight in the Glasshouse exhibition program this flagship event celebrates creative arts from our community.

The Glasshouse Regional Gallery has a strong commitment to developing the creative industries within our region. *Northern Exposure 7* continues this commitment by providing accessible opportunities for regional artists to exhibit and enhance their artistic practice and career.

I would like to sincerely congratulate all of the finalist for *Northern Exposure 7*, it is a great privilege to share and celebrate your creativity with our community.
